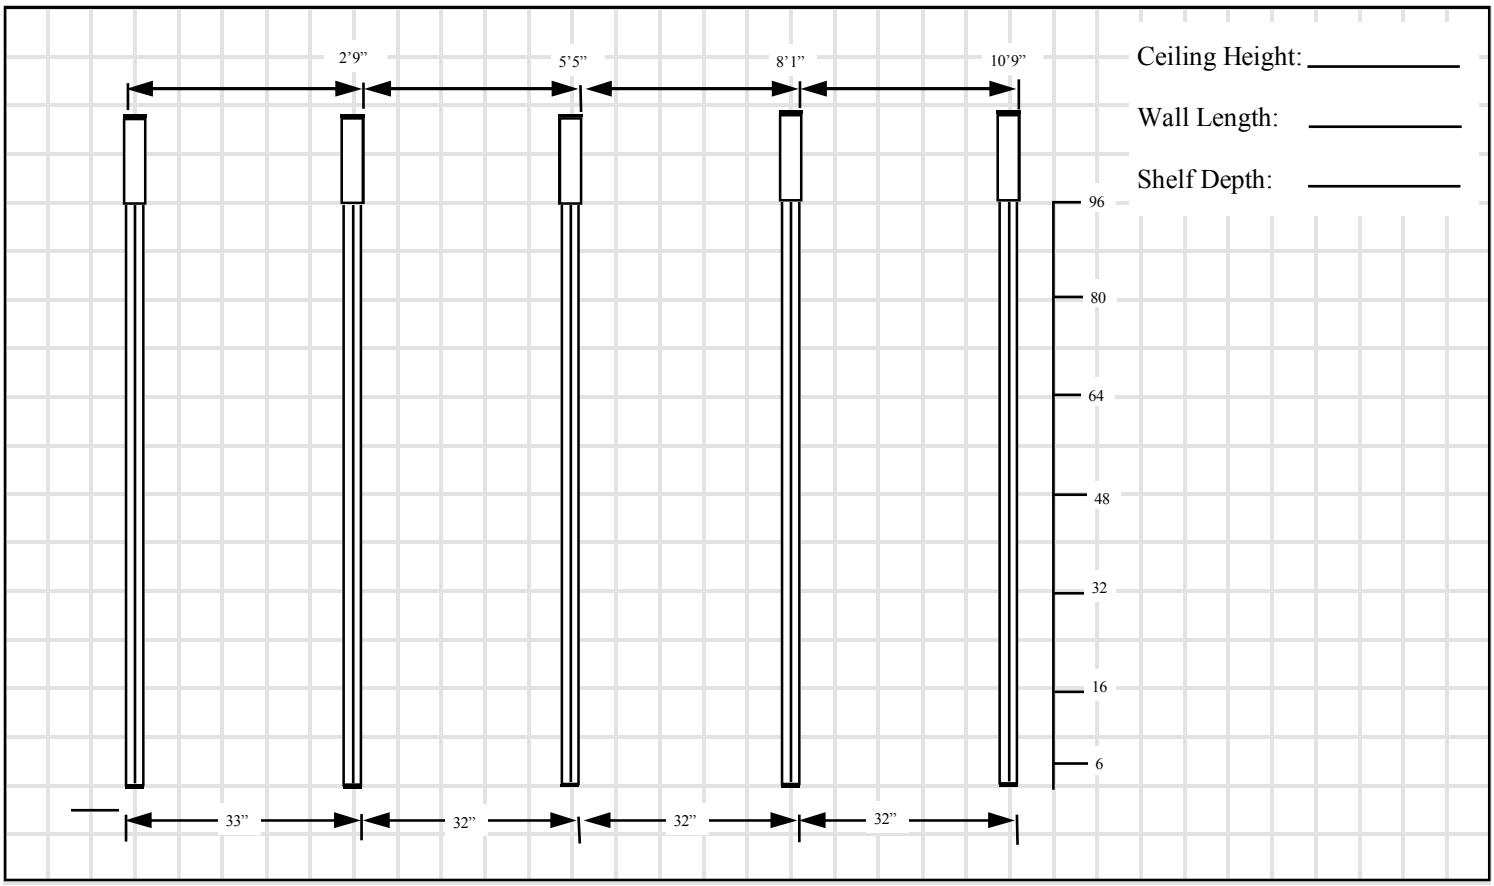
Pole Mounted Design Guide

PH: 949-366-0780 FAX: 949-366-6185

Use the form below to outline the design for your pole mounted wall system. If you would like design assistance, you may fax or scan and e-mail the form to our designers at info@issdesigns.com.

Name	Company Name	Address	City	State	Zip Code

Phone Number	Fax Number	E-mail
( )	( )	



The distance between the Compression Poles will vary depending on the design and amount of weight placed on the shelves.
The above 32" bays are typical for wall systems that include 31" wide cabinets.
